6. The Best of Cards Catalog
   Division of US Games Systems
   38 East 32nd St
   NY, NY 10016
   -sells every Tarot pack in existence, & also has a surprisingly extensive booklist of occult books. Good source for Eliphas Levi & tarot material & carries many of the books issued by the above publisher. Catalog is $2. Delivery is the fastest I've ever seen.
7. Magickal Childe
   35 West 19th St.
   NY,NY 10011
   -excellent listing; carries Gardner's books & assorted paraphanalia such as Abramelin oil. Carries many more books than listed in their catalog; reportedly if you call them they can get ANY occult book, if it's available anywhere. No, I don't have their phone #.
8. Llewellyn Publications
   P.O. Box 64383-873
   St. Paul, MN 55164-0383
   -not so good a source these days, but carries reprints of many of Israel Regardie's classics. Their catalog resembles the National Enquirer; caveat emptor. Interesting to read for entertainment purposes, occasionally one will find a good book there.
9. Circle

   -a pagan organization publishing a newsletter & sells some books, most notably Circle Guide to Pagan & Wiccan Resources, for contacts.
10. Dharma Publishing

    -sells books on Buddhism, posters of Tibetan Thanka paintings; much more hardcore Buddhist than Shambalah.

These opinions are my own, & where I recall purchasing these books in the past. They may no longer be available.
